Hi all

Technologically doable - but before we commit wanted
to run it by you.

senator Sheehan has been perhaps the most engaged
member of the New England delegation on PFAS issues
Both through constituent issues and proposed
legislation.

Best
Doug

Subject: Video for PFAS Summit

Hi Kelsey,

I hope you are well.
Quick question. Since it is unlikely that Senator Shaheen will be able to attend the PFAS Summit in person, I wanted to see if a video would be accepted if the Senator was able to record one. I can't guarantee we will be able to record one in time (the Senate Video Studio is surprisingly hard to get time in), but before we look into that, I wanted to see if playing a video would even be welcome/possible.

Please let me know what you believe most appropriate.

Best,

Peter
